

# An Orthodox Coffee House for our State Capitol

*The very first coffeehouses in the western world were aromatic dens where people met to discuss business, politics and religion. We are an Orthodox Christian Cooperative attempting to organize an outreach in the form of a Coffee House/Bookstore in downtown Harrisburg - our States Capitol (Why?... see Matthew 5:15-16)*

**Organization:** Orthodox Christian Cooperative of Greater Harrisburg [Pan-Orthodox Non-Profit]

**Mission:** *To proclaim Orthodox Christianity through the venue of a coffee house/ bookstore. To distribute profits to those needing the “consolation of Christ”.*

**Where:** Negotiating a premier location (off 3rd St.) In the cultural “hub” of Harrisburg. Great Location!!!

**Funding:** We need your help to raise \$80,000.00 in start-up costs. This is a “first and last” appeal - once opened the shop *will stand* on its own. No more appeals!!!
