We were affiliated with Highmark and United Concordia as one group with St. Tikhon's Seminary. The Anniversary renewal date has been August 1<sup>st</sup>.

The Board of Directors of St. Tikhon's Seminary changed to a different company because of the rate increases and we are no longer able to be one group. As of November 1<sup>st</sup>, the Diocesan members who belonged to the group had to be removed and find new insurance.

It has been my pleasure to take care of this plan for all these years. A check was turned over to the Diocese with the balance in the account and the account was closed.
