Major Challenges Faced		
The current parish census for year ending 2022 reflects a membership of only eight members. Inquiries have been made about the requirements for a full-time priest. The parish does have a reasonable cash reserve. There was also a brief discussion with the diocese at this year's annual meeting about the possibility of obtaining a full-time priest. Due to the number of members, growth in the area of sustained financial stewardship and commitment would have to be realized. There are also several other OCA parishes that are only minutes away from Uniondale. Some members have transferred to these other parishes.
