

Retreat Report

On Saturday, March 2, 2024, over 100 women from our diocesan and area parishes gathered at Holy Trinity in Stroudsburg for a retreat led by Presbyteria Kerry Pappas from the Center for Family Care of the GOA. The topic was the Gift of Compassion: From God to Us, Through Us to Others. Participants reflected on this topic through verbal exercises, personal reflections and icon study. Lunch and snacks were provided as well as a personal journal for every participant. This event was fully funded by our diocese with the blessing and guidance of Bishop Mark. We hope to continue these events regularly in the future.
