In accordance with the decision of the Diocesan Assembly held in Jermyn, PA January 28-29, 2016, to move from an assessment based upon the parish census, each parish agreed to the following resolution:

*The Parish's level of support to the Diocese and the Orthodox Church in America will be based on all operational income:*

*Pass-throughs should not be counted, e.g., Money collected for a charity that simply "passes-through" the parish's accounts.*

*Savings should not be counted, but investment and/or interest income should be. Typically the Diocese expects your parish to tithe (give 10% of) your operating income. This was agreed to at the Diocesan Assembly, with all parishes to be compliant by 2018.*
